THE RISK AUTHORITY

Available Resources

The Risk Authority (TRA) strives to provide a variety of complimentary resources and services that are valuable to members of Palmetto Hospital Trust and the PHLIP Liability Program. They include:

- Educational programs
- Team meetings
- Reports
- Assessments
- Case studies
- Listserve questions
- Research
- Technical assistance

Education programs can be tailored for many settings, such as physician office practices or long-term care facilities, and are suitable for a variety of positions, from security personnel to administrators. Programs are presented in-person, or as ready-to-use modules.

By working with members to develop customized resources and services, TRA continually focuses on risk and liability mitigation. For more information, or to request a copy of our full list of offerings, please contact Janine Wall at jwall@theriskauthority.com or 803.461.8372.
